What is DOGEMACKENZIE?

It's DogeMacKenzie!!!

The Original Crypto Party Animal!

There He is!!!!

What a Happening Dude?..... It's

"DogeMacKenzie".

He is the Original Crypto Dog with a history
of being the party OG Dog.

team of ON-SHORE developers DOGEMACKENZIE aims

to be the #1 FUN MEME coin on #dogechain and

most of all provide a refuge from the

onslaught of ... Drum roll...

JEETS JEETS JEETS

We do realize that we will always be a meme
token first, we want to provide a safe fun
community where we can all trade FAIR and not
worry about being rugged... moreover we need to
remember that we are inspired from the #doge
that have served before us.

Our goal is to share positivity, spread the
joy, and most of all have a positive impact on
the DeFi space in a meaningful way.
